

The BIG Raffle

Hi All,

The BIG Raffle has started, between now and the 2nd of July we need to sell as many tickets as possible. The draw will take place on our last training camp, it will be filmed and posted on the website on the 5th of July so anyone who is not on the camp can see if their ticket has been picked out.

I will be distributing the tickets to everyone in the contingent between now and the next training camp. Once you have the tickets please get selling them to everyone and anyone. If you think you can sell more than I am giving you, or someone you know wants to sell some (parents take them to work?) then tell me when I am handing them out and I can give you more.

The Prizes so far include:

- A Hot Air Balloon Flight
- Toshiba Notebook donated by Prestige Logic
- A week in North Wales in a Harbour side flat
- 4Ball (4players) at Bramall Park Golf club
- Restaurant Vouchers (5 Different restaurants and growing)
- Comedy Store tickets
- Free Hair cuts
- Tool Bag
- Hamper
- Archery lesson
- This prize fund is still growing as people keep donating prizes.

Remember to: Sell it to people, tell them the prizes

Explain what the money is going towards. Not a holiday, a once in a lifetime expedition experiencing and learning new cultures and traditions.

Try and sell people 5 for £10

The tickets are £2 each; once you have sold the tickets put the stubs and cash into an envelope and hand it to one of the Japan leadership team, to give to Paul Shardlow.
